

E VENTS TONIGHT

Starring your hosts **ROCK RIDGE and MARY TART**

A star studded event deserves a pair of star studded super hosts, all the way from Tinsel Town, Rock and Mary will light up your guests with their inane celebrity and fashion talk.

They will bring you up to date with the latest gossip and what not to wear to your next function.

This vacuous pair of lightweights devoid of culture will amaze and delight your guests with their insight into almost anything.

“if a man talks in the forest and there are no women around, is he still wrong?”
