## BIOGRAPHY

### Welcome

Let us entertain you. Please check out our video & audio and read what others have to say about us.

We have established ourselves performing live music in Sydney & throughout Australia for many years as a highly reputable dinner & party band and wedding band, playing popular cover songs.

Our diversity of repertoire and versatility in performance combine to cover everything from weddings & receptions, private parties to prominent International & Australian corporate functions.

### About Us

Music and entertainment has been our full time career since the 90's so we have always had the advantage of focusing 100% on developing and nurturing our art by keeping up with 'what's going on' in our chosen profession.

We frequently add new songs whether they be the latest chart singles, past classics or popular requests to keep our broad repertoire appealing to our appreciative cosmopolitan audiences.

We offer a variety of band size options to suit every event starting as a duo and expanding to a three or four piece band and larger depending on your budget and venue requirements.

We engage our audiences and thrill with our lively and captivating performances. We always impress with our ability to progress and transform the pace from laid back and sultry to an energetic and lively party atmosphere.

"Time flies when you're having fun"

We're fun, energetic and engaging with audiences who's only disappointment is that the end of the night has come so quickly. It seriously is our ONLY and BIGGEST complaint!!

### Key Elements

- Duo, trio, 4pc - expanding to a larger band
- Transform from cocktail & dinner performance to an energetic and lively party atmosphere.
- An exciting selection of music encompassing smooth, sophisticated contemporary dinner music to classics, top 40's dance, pop, reggae, R&B, disco 70's and retro 80's.
