

LizzieLand is a down-to-earth interactive Aussie kids show with music, dance, stories and games. It features Lizzie singing and playing "Mr Violin" and "Elektrina" (the amazingly versatile electric violin). This show will have you singing and dancing along to your favourite toddler tunes, laughing at the Party Bus Animals as they help Lizzie tell funny stories about their day to day lives. Be whisked away with butterfly wings, flowers and bubbles to the magical LizzieLand. Are you ready for the adventure?
